Re: **REMINDER: 12/01/05 Federal Special Education Child Count Verification**

Last December, a memo was sent to all PEAs regarding the 12/01/05 Federal Special Education Child Count Verification. The purpose of this memo is to reiterate information that was previously disseminated, remind you that the application has been available since February 1, 2006 and to inform you that the due date for the required signature and return of the verification letter to the ADE/ESS office is Friday, April 28, 2006.

Verification of your December 1, 2005 federal special education child count is to be done via an automated process using a web-based application available to PEAs. This web-based application is accessible through ADE's Common Logon System. The Common Logon page can be accessed by either going to the ADE website at: www.ade.az.gov and clicking on the Common Logon link or directly at www.ade.az.gov/commonlogon/. From this online application entitled ESS Census Verification, you will be able to access your SPED07 report and verification letter. A hard copy of the verification letter, with signature, must be submitted to ADE/ESS by all PEAs. **Failure to do so may result in an interruption of your federal funds.**

The instructions on how to complete this verification process, required of all PEAs, will be available on the home page of the application. The System Training and Response Team (STaR) can provide technical assistance on this application. Request for assistance can be made by using the WebForm  [Request for Training and Assistance](http://www.ade.az.gov/schoolfinance/STaR/) available at <http://www.ade.az.gov/schoolfinance/STaR/>.

In addition to verifying your 12/01/05 counts, IDEA requires a count of all K-12 students enrolled in private schools within a district's boundaries and those that are homeschooled. This figure will be used to calculate LEA entitlement allocations for FY 2007.

If you have any questions or concerns regarding this verification application, please contact me at (602) 364-4024 or Peggy.Staples@azed.gov or you may contact Rainey Hulet at (602) 364-0504 or Rainey.Hulet@azed.gov.
